For the over educational development of the poor and tribal children we also run a Hostel. The basic idea to commence this Hostel was to ensure that students who live in remote village and who are unable to travel daily to their home after their school and as a result were unable to get education.

The Hostel provides facilities to the students of remote areas to come and live here during their studies. Efforts are made to give them education culture and guidance. Free lodging and boarding is provided to them. The Hostel was established in 1991. During the first year 20 students were admitted. The trust tried its best to provide all facilities to the students. students from std.5th to 12th are admitted in this hostel. At present 81 students are availing the benefits from this institution. It is proposed to construct a new Hostel building in near future.
